a BAROQUE affair

VENTURA

DECORATIVE PLANKS

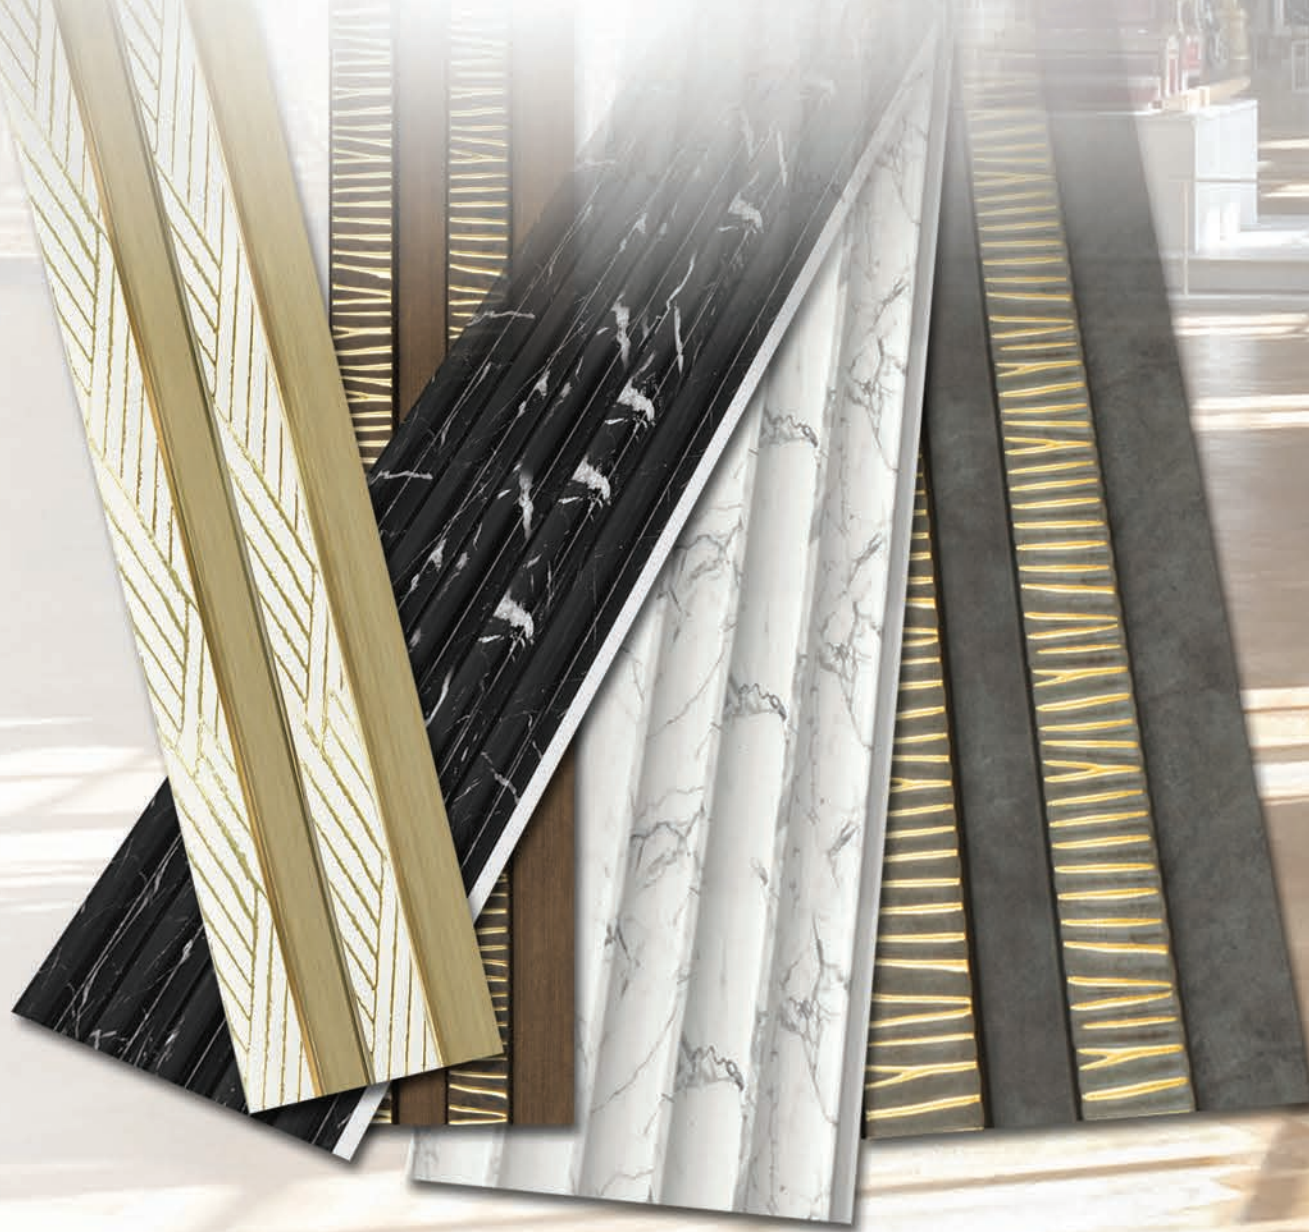

VOLUME

2

After a great success and even greater acceptance of our Range of Decorative Planks, Ventura takes pride in introducing new designs and concepts in its illustrious range of Planks in Volume 2.

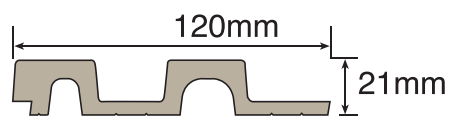

Taking the cue from a Baroque style, we are adding some ornamental elements in our range of Planks as an extension of classical repertoire.

We are sure, these designs will allow designers more freedom to express their creative desires.
